

## Campus Financial Resources

### Student Organizations

- [GTSF Investments Committee](#)
  - The Investments Committee manages the endowment fund for the Georgia Tech Student Foundation. The committee is responsible for educating its membership and provides an outlet for them to develop financial and managerial leadership within the group.
- [Economics Club](#)
  - Economics is the driving force behind your daily decisions. Here you can talk about your opinions on current events, and gain a new perspective from visiting urban professionals during their monthly dinners.

### Campus Learning Opportunities

- [Financial Well-Being Courses](#)
  - Take one of Georgia Tech's financial well-being courses! Financial well-being is the process of learning how to successfully manage and budget your expenses. A healthy financial practice involves taking steps to live within your means and managing your resources by thinking about both your short and long-term goals.
- [Adulting Courses - learn how to "Adult"](#)
  - The Adulting series introduces students to life skills that aren't taught in the classroom. Learn how to "adult" as participants explore finances, healthy eating, purpose, professionalism, and other life skills providing you with the essential skills and knowledge to be a successful adult.

### Campus Resources

- [Student Organization Finance Office \(SOFO\)](#)
  - The Student Organization Finance Office supports student organizations by assisting them with their financial management needs.
- [GT Budget Information](#)
